

# Farm Building or Livestock Facility Lease

Revised 2000

*This form can provide owners and renters with a guide for developing an agreement to fit their situation. This form is not intended to take the place of competent legal advice pertaining to contractual relationships between two parties. Provisions in this form cannot take precedent over state or federal laws. Because of the possibility that a lease agreement may be legally considered a partnership under certain conditions, seeking proper legal advice is recommended when developing such an agreement. For more information, see NCR-214, Rental Agreements For Farm Buildings and Livestock Facilities.*
