4H 106D Revised February 2013
Iowa 4-H Sheep Project
Regulations Pertaining to State and Interstate Shows

**Age of Exhibitors**
1. To be eligible for a state or interstate show including Iowa State Fair and Ak-Sar-Ben, a
   4-H’er must have completed fifth grade prior to the event.
2. A 4-H’er becomes ineligible to exhibit beyond the county level upon completion of the
   calendar year of high school graduation. **Note:** In the event that a 4-H’er has dropped out of high
   school, the 4-H’er is eligible to exhibit livestock only through the calendar year that his/her class
   graduated.

**Maximum**
Exhibitors may validate a maximum of 30 sheep (market and breeding combined) for exhibit
purposes at the Iowa State Fair.

**Ownership**
All animals must be owned by and identified to the individual 4-H’er. When registration papers
are involved, the papers must be either in the 4-H member’s name or show a logical family
relationship.

Animals changing ownership after being identified as a project are ineligible to be exhibited as
4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though
bought back by the original owner or if the owner refused a bid or says, “No Sale.”

**Identification**
All sheep must be tagged with the official state 4-H ear tag and either have retinal images (State
Fair) or hair DNA (Ak-Sar-Ben) collected at a verification site by May 15. Animals identified as part
of a 4-H project cannot also be identified or exhibited as an FFA project.

**Deadline**
All sheep must be in the possession of the 4-H’er and weighed at state established verification sites
by May 15. Verification forms must be completed at the verification site.

**Signing and Filing the Verification Form**
Your signature on the front of this form indicates that you have reviewed it and the information is
correct. Keep the pink copy for your reference, and return the other two copies to the verification
site coordinator.
