# Regulations Pertaining to State and Interstate Shows

## Age of Exhibitors

1. To be eligible for a state or interstate show—including Iowa State Fair—a 4-H member must have completed fifth grade prior to the event.
2. A 4-H member becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H member has dropped out of high school, they are eligible to exhibit livestock only through the calendar year that his/her class graduated.

## Maximum

Exhibitors may identify a maximum of 10 meat goat wethers and 10 breeding meat goat does for exhibit purposes.

## Ownership

All animals must be owned by and identified to the individual 4-H member. When registration papers are involved, the papers must be either in the 4-H member's name or show a logical family relationship. All meat goats must be in the possession of the 4-H member by May 15.

Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says, "No Sale."

## Identification

All meat goats must be identified in 4-H Online by May 15. Market meat goats must be weighed and tagged with an official 4-H or EID tag. Breeding does must have either an official 4-H or EID tag, or an official tattoo. Both market goats and breeding does must have retinal images collected by May 15 for state fair eligibility. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

## Deadline

All meat goat animals must be in the possession of the 4-H member and weighed at state established identification sites by May 15. Identification forms must be completed at the identification site.
